

JOHN WILLIAM WARD PUBLIC SERVICE FELLOWSHIP

“One must act as if one can make a difference”

ABOUT THE FELLOWSHIP

The John William Ward Public Service Fellowship is a summer program that allows Boston Latin School students who have completed their junior or senior year to work in the office of an elected or appointed public servant in state government, municipal government, or the judicial system. It aims to inspire participants to pursue careers in the public sector. Students are selected based on their interest in public service, community involvement, application essay, future goals and personal interview.

During the course of the summer, Fellows perform a wide array of duties in their assigned offices. In addition, they have the unique opportunity to meet as a group with program sponsors and host officials. Through these sessions, Fellows are given a view of public service that is shaped by the experiences and philosophies of decision-makers whose ideals, inspirations, party affiliations, and legislative priorities are as diverse as the responsibilities and duties each official performs to make sure that our commonwealth and city work for its citizens.

The Fellowship is a paid program; each Fellow works forty hours per week for eight weeks and receives a bi-weekly stipend of approximately \$500. Although the program is highly selective, all students are encouraged to apply and will be given thorough consideration. Previous experience in public service is not required for this program, only a genuine interest in public service and the Fellowship experience.
